ZACATLÁN AND CHIGNAHUAPAN

Zacatlán is a magic town in Puebla, always accompanied by fog. Live on the edge of the beautiful cliff “Los Jilgueros”. The customs in this place are baking bread every day, the fabrication of monumental clocks and the fruit cultivation that soil gives. Since the apples are the most abundant fruit in this place, they are dehydrated or are prepared into liquors and marmalades.

Chignahuapan is also a very interesting magic town in Puebla, where you can find natural wealth, as well as splendid religious architecture. On its main square stand out the colorful parish and its kiosk of mudejar style. Here, millions of crystal Christmas ornaments are produced, more than 200 factories and workshops sustain this town
