Description

The experience begins with a transfer to Cholula to visit its emblematic Archaeological Zone, home to the Great Pyramid, considered the largest in the world by volume. During the visit, you will explore the site museum, the Patio de los Altares, and learn about the history of this ancient ceremonial center. Afterwards, we ascend to the Sanctuary of Our Lady of Remedies, built on top of the pyramid, offering privileged views of the Puebla Valley and the surrounding volcanoes. We continue to Santa María Tonantzintla, one of the jewels of Indigenous Baroque in Mexico, whose interior stands out for its rich symbolic and decorative details. The experience is complemented with a visit to Casa Talavera for a liqueur tasting and concludes at the Church of San Francisco Acatepec, one of the most photographed temples in Puebla due to its impressive Talavera-tiled façade.
